

FROM THE DIRECTOR'S DESK

The dreary months of winter are now behind us and the pleasant days of summer have finally arrived. We are looking forward to the delightful sounds of children enjoying our many special programs and adults attending our summer events. For those planning far away from home vacations, we will again offer an extended loan service so that you can enjoy reading good books at a leisurely pace without a concern of overdue fines!

Mr. Tom Savage, a retired resident of Plainedge and our local historian has done an excellent job in digitalizing the many documents and photos in our local history collection. To see this very special collection, simply go to our Webpage and click on historical photos and historical documents. Thank you Mr. Savage!
